Helping Children

Help UNICEF deliver lifesaving nutrition, safe water, health care, education, protection and more to the world's most vulnerable children.

Compassionate. Relentless. Single-minded. Pragmatic. Idealistic. Diverse. That's UNICEF. More than 15,000 strong. On the ground in more than 190 countries and territories, reaching the most vulnerable children and families. Saving lives and building futures. Empowering children and youth to speak for themselves. Standing up for those who can't. Creating change that lasts. Helping to save more children's lives than any other humanitarian organization.

Most people don't know this, but UNICEF relies entirely on voluntary donations to fight for children and families whose lives hang in the balance even in the best of times. The coronavirus pandemic has made that work more critical now than ever.

This season, you can help us keep children healthy, safe and hopeful about their futures by shopping at UNICEF Market.

A portion of every UNICEF Market purchase helps UNICEF deliver nutrition, health care, immunizations, safe water, education, emergency relief, and more whenever — and wherever — needed. Plus, every UNICEF Market product is sourced directly from talented artisans from Asia, Latin America and Africa to ensure they receive a fair price for their work and can care for their families.

UNICEF won't stop working for every child. By doing your holiday shopping at UNICEF Market you can give meaningful gifts to those you love and make a difference for children and families everywhere.

Help UNICEF give every child a fair chance

UNICEF works in the world's toughest places to reach the most disadvantaged children and adolescents – and to protect the rights of every child, everywhere. Across more than 190 countries and territories, we do whatever it takes to help children survive, thrive and fulfill their potential, from early childhood through adolescence.

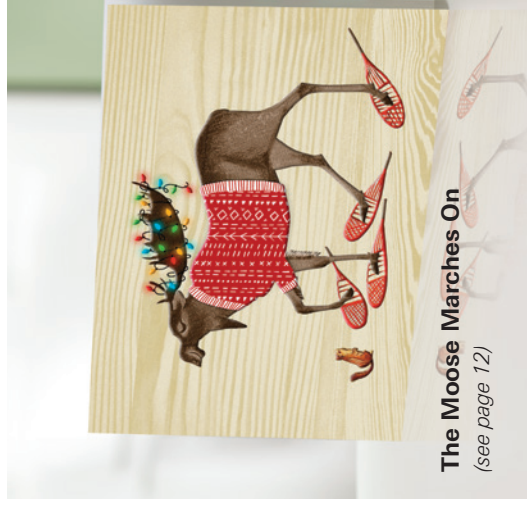

We won't stop. unicef | for every child
