HELPING CHILDREN

UNICEF is working in more than 190 countries and territories to help children survive and thrive.

SHOP FOR GOOD. DOUBLE YOUR IMPACT.

Your purchase helps UNICEF save and protect the world's most vulnerable children while supporting global artisans and their families.

Dear Friend:

When UNICEF was founded in 1946 during the aftermath of World War II, much of the world faced devastation. The world's children needed the support, services and advocacy that UNICEF could provide.

Today, the world once again faces immense challenges. Since February 24, the war in Ukraine has galvanized an outpouring of global support for those caught in the crossfire. One out of two children has had to flee their homes as have so many others in Syria, Yemen, Afghanistan, Ethiopia, Myanmar. These conflicts' convergence with the impacts of inequality, climate change and the COVID-19 pandemic has created a child rights emergency, pushing children and the communities where they live to the brink.

UNICEF is on the ground in all these places and more, fighting for children and families whose lives hang in the balance. Thanks to UNICEF supporters whose donations help us keep children healthy, safe and hopeful about their futures, that work continues even as UNICEF remains poised to respond to future dangers. UNICEF supporters make that work possible, and by shopping at UNICEF Market, you can help UNICEF stay ever ready to provide for children in need. A portion of every UNICEF Market purchase helps UNICEF deliver nutrition, health care, immunizations, safe water, education and emergency relief whenever – and wherever – needed. Plus, every UNICEF Market product is sourced directly from talented artisans from Asia, Latin America and Africa to ensure they receive a fair price for their work and can care for their families.

UNICEF won't stop working for every child. By shopping at UNICEF Market, you can join us and make a difference for children and families everywhere.

UNICEF WON'T STOP HELPING CHILDREN IN EMERGENCIES

© UNICEF/UN0422734/DEJONGH

On the ground in 190 countries, UNICEF exists to help every child in need — **and that includes responding to urgent humanitarian crises around the globe.**

Chartered in the ashes of World War II, UNICEF has spent 75 years addressing children's health and safety in times of conflict and crisis. **Right now, that means rushing aid to the children of Ukraine**, and offering them safety and protection across the border at UNICEF Blue Dot centers for families on the move. But our mandate also means meeting the needs of children in places like Ethiopia, Syria and Yemen where long-running conflicts yield the poverty, displacement and malnourishment that inflict a terrible toll on the youngest and most vulnerable.

Last year alone, UNICEF responded to 455 new and ongoing humanitarian situations in 152 countries with everything from safe water to therapeutic feeding to remote schooling and psychosocial care.

Help us reach every child
when time matters so much.
