A GLOBAL REACH
UNICEF is on the ground in more than 190 countries and territories to help children survive and thrive.

UNICEF Market is a collaboration with **NOVICA**, a leading fair trade marketplace for artisans. Your purchases help UNICEF save and protect children while supporting artisans as well as their families and communities.

HIMALAYAN VALLEY KNITTERS

Dear Friend,

Joy. Innocence. Light. The hallmarks of childhood can sometimes feel in short supply, especially in places where poverty, conflict and disaster threaten. But you can help give more children a childhood with the simple choice to shop UNICEF market this season.

That's because not only are the catalog's handmade gifts, jewelry, cards and homewares sourced from artisans, but a portion of every purchase goes to UNICEF's work in 190 countries. Respecting the talents and livelihoods of craftspeople and artists – many of whom live in the low- to middle-income countries where UNICEF works – helps to drive funds to programs that keep children healthy, safe and protected.

Choosing to help children is especially important as UNICEF responds to a recent doubling of emergencies while it continues providing essentials like health care, education, or safe water. Right now, among many other efforts, UNICEF is fighting severe acute malnutrition in Sudan, Chad and Yemen as well as helping many more receive an education or recover from trauma in and outside of Ukraine.

By shopping UNICEF Market, you help these children, and many more. And you join us in making the world a better place for children and families.
