A GLOBAL REACH

UNICEF is on the ground in more than 190 countries and territories to help children survive and thrive.

UNICEF Market is a collaboration with NOVICA, a leading fair trade impact marketplace for artisans around the world. Your purchases help UNICEF save and protect children while supporting artisans as well as their families and communities.

Dear Friend

For many children around the world, it was a long winter indeed. The one-year mark of war in Ukraine, an epic drought in the Horn of Africa, extreme poverty in Venezuela and South Sudan, disasters such as the earthquake in Syria and Turkey – too much conspired to deprive too many children of what should have been a happy and healthy time in their lives.

As warmth returns to much of the globe, UNICEF continues to deliver help and hope across it. With a presence in 190 countries, we measure our reach by the millions of children's lives saved or meaningfully improved through the medicine, safe water, nutrition, protection and emergency aid we provide. UNICEF is there when disaster strikes, and we're there afterward, with things like education and mental health services and play spaces, as families start to rebuild.

Your help is critical to making the world a safer and more equitable place for every child, as UNICEF relies entirely on voluntary contributions. Shopping this catalog – and the handmade gifts, jewelry, cards and homewares it features – is a great way to offer support.

A portion of every UNICEF Market purchase goes toward UNICEF programs that address the health, education and protection needs of children worldwide. Plus, every product is sourced directly from artisans, many of whom live in the low- to middle-income countries where UNICEF works. Thanks to UNICEF Market, these talented craftspeople from Asia, Latin America and Africa receive a fair price for their work and build businesses that strengthen their communities and support their families.

UNICEF won't stop working for every child. By shopping UNICEF Market, you can join us in helping to make the world a better place for children and families everywhere.
