Dear Supporter,

Every summer, my daughters create a bucket list. Past highlights include catching fireflies, camping and creek stomping. This year, we're making sure to include a way to give back. I can't wait to hear their ideas. Maybe a lemonade stand to support our community or a neighborhood clean-up. Consider making an Inspired Gift part of your family's summer tradition. Inspired Gifts are real, lifesaving items that are essential for child survival and development.

When you shop with UNICEF Market, you help deliver safe water to communities for the first time, build schools and provide students with essential supplies. You help vaccinate infants against preventable diseases that still claim lives around the world. Additionally, you help fund UNICEF USA's domestic work to advance child rights, amplify youth voice, and through our Child Friendly Cities Initiative, help communities in the United States adopt child-centered local governance strategies to prioritize the best interests of children and youth.

To make an even greater impact, we've included a selection from our Inspired Gift catalog. UNICEF operates the world's largest humanitarian warehouse and is a leader in providing vital supplies to the world's most vulnerable children. When you buy an Inspired Gift, you are helping to fund UNICEF's wide-ranging work in over 190 countries and territories. When purchasing online, you can dedicate your Inspired Gift to a friend or loved one with one of our beautiful e-greetings.

And as always, every piece of jewelry or homeware from UNICEF Market is sourced from talented artisans in Asia, Latin America and Africa – many from the very regions where UNICEF works. These artisans receive a fair price for their craft, helping them strengthen their communities and support their families.

Thank you for supporting UNICEF USA's work to relentlessly pursue an equitable world for every child. We won't stop upholding the rights of all children and empowering every child everywhere. With your support, UNICEF will continue working to ensure children not only survive but thrive.

With gratitude,

*Katie Shipsides*
